PROFILE

Enthusiastic, experienced, and committed fourth-year film student. Have completed 60+ film/video projects over the course of 6 years for work, school, friends/family, and my YouTube. Aiming to produce and direct scripts of mine, screenwrite, involve myself in the creative process of production as much as possible. Eager to begin work at commercial film studies immediately after graduating.

FILM EXPERIENCE

WON'T GIVE NO MORE DOCUMENTARY

- Conceived, planned, filmed and edited a documentary short film following the life of a transgender spiritual sister of mine, escaping her abusive biological family and beginning her transition
- Documented her journey for over a month
- Consolidated at least 4 hours of footage into a 10-minute product

ORCHESTRATING DIVERSITY CONCERT

- Hired to film and edit an orchestra concert for the program Orchestrating Diversity, a free community-based education program
- Captured the hours-long performance
- Compiled the footage into a long-form recording and several individual videos for YouTube

CAMP INDEPENDENCE RECAP

- Commissioned at age 17 to create a documentary recapping a 1-week sleepaway summer camp for children with bleeding disorders
- Filmed all camp events and activities, interviewed several camp staff and campers, and compiled at least 6 hours of footage into a 6-minute recap of camp
- Film was shown at OHF's annual meeting for the parents and campers
- Highlighted the social, physical, and developmental benefits of camp for children who are often isolated from camps with lots of physical activity

CAMP INDIGO POINT TALENT SHOW

- Commissioned to edit footage for an LGBTQIA+ summer camp
- Highlighted all of the campers' individual performances to be viewed on social media

VISION MARTIAL ARTS ACADEMY VIDEO PRODUCER

- Commissioned at age 16 to conceive, direct, and edit an introduction video showcasing the skills taught to the taekwondo students
